## Activities on offer at our [French school in Bordeaux](#)

Study French in Bordeaux, a haven for food and wine enthusiasts. Situated between luscious green vineyards and stunning blue sea, this elegant city is famous for its distinctive wines as well as local food delicacies, such as Arcachon Bay oysters. So don't miss out on the wine tasting or vineyard trip! Bordeaux has also been listed as UNESCO World Heritage site due to its impressive architecture and boasts a lively student population, great shopping and energetic nightlife.

The programme below is just an example of the activities that are organised by our school in Bordeaux throughout the year.

Our school organises different activities each week. All activities are optional and most activities are free of charge. A few activities are not included in the price of the programme and will incur an additional fee.

Learning a new language should be fun. The activity programme in Bordeaux not only ensures that students enjoy their experience, they also learn about the city and French culture at the same time!

The activities help students to socialise with each other and complement the language lessons. By talking to one and other, they have the opportunity to practise their language skills outside the classroom.
