## Activities on offer at our [English school in Bristol](#)

This is just an example of the many activities that our Bristol language school runs throughout the year.

There is so much going on in Bristol all the time as it is a lively university city with so much to see and do! You can improve your English by trips to the Theatre or by watching English language films at one of the many cinemas. Bristol is world famous for its art and music scene. From Festivals, to clubs, pubs, museums and art galleries - you will never be bored, no matter how long you stay in this incredible city!

Our school arranges a different activity programme each week. All activities are optional, and most are arranged free of charge. Some of the activities on offer are not included in the price of the programme and will incur an additional fee. Our school can also help with information on what to do and where to go, on your own or in small groups, with your new friends in Bristol!

The cultural and activity program in Bristol not only ensures that students enjoy their stay, but also helps them learn about the surrounding area, the city, England and English culture in general.

The activities are intended to be fun, to help students socialise, but also to complement the language that students learn during their English lessons at our Bristol school.
