SAMPLE ACTIVITIES

Activities on offer at our [English school in Cork](#)

This is just an example of the many activities that our Cork language school runs throughout the year.

Our school in Cork has an incredible activity programme, helping immerse you in the Irish culture. Take part in walking tours, theatre trips, music concerts, outings, sports, games and more! You can also take half-day trips and full-day trips at the weekend. Visit other incredible parts of the region, or even go to Dublin with a few of your new friends. Our school will also help you with information on what to do and where to go on your own or in small groups throughout Cork.

The cultural and activity program in Cork not only ensures that students enjoy their stay, but also helps them learn about the surrounding area, the city, Ireland and Irish culture in general.

The activities are intended to be fun, to help students socialise, but also to complement the language that students learn during their English lessons at our Cork school.

Please contact us if you have any questions regarding our school, the city of Cork in general or the activities that our school offers!
