# SAMPLE ACTIVITIES

## Activities on offer at our [Italian school in Florence](#)

This magnificent city is home to many artistic masterpieces from Botticelli's 'The Birth of Venus' to Michelangelo's grandiose statue of 'David'. Even the city itself can be considered an open-air art gallery, full of dramatic buildings and palatial architecture, boasting picturesque river views as you walk over the medieval bridge of Ponte Vecchio. As the birthplace of the Renaissance, you'll be surrounded by historical treasures and a rich cultural heritage whilst you study Italian!

There are plenty of activities to keep you enthralled, from a city tour through Florence's historic centre to an out of town trip to Pisa, Siena or Venice! Our school can advise you on what to do and where to go, either on your own or in small groups with your new Italian speaking friends.
