Activities on offer at our [Spanish school in Marbella](#)

Sun, sea and sand – Marbella is a beautiful location to study Spanish! Take a walk along the glitzy Golden Mile promenade to enjoy the fancy bars and boutique shops before arriving at the extravagant Puerto Banús marina filled with luxury superyachts. For a more authentic experience, explore the historic old town which is adorned with Gothic and Moorish architecture. Next to the Sierra Blanca mountains, Marbella is surrounded by a picturesque natural landscape and is conveniently located near to other fascinating Andalusian cities.

The programme our school arranges helps you to make the most of your time on the Mediterranean coast!

Our school ensures your activity programme differs from week to week. Of course, you don't have to participate in every activity, as all activities are optional and most are available to our students for free.
