

## Activities on offer at our [Italian school in Milan](#)

When you think of Milan, you think of fashion. But this city has a lot more to offer than just great style. This chic city in the north of Italy is home to the famous Leonardo da Vinci's 'The Last Supper', the dramatic Duomo cathedral and the elegant La Scala opera house. It's also an Italian economic centre and a youthful university city. There is so much to see and visit in Milan, you will never get bored!

At the beginning of your course, you will be given a special programme that includes information about each activity. All activities are optional, but most are free of charge and lots of fun!
