SAMPLE ACTIVITIES

Activities on offer at our [English school in Sydney](#)

This is just an example of the many activities that our Sydney language school runs throughout the year.

Our English school in Sydney has its own activities club, which not only ensures that students enjoy their stay, but also helps them learn about the surrounding area, the city and Australian culture in general. You can enjoy trips around the city with your new friends, day trips and weekend excursions, sporting and cultural activities, social activities (dinners, coffee afternoons), student parties and many more!

Most activities are arranged free of charge. However, some will incur an additional entrance fee. Our school is also on hand to help with information on what to do and where to go, on your own or in small groups.
