

Activities on offer at our [German school in Regensburg](#)

Study German in the beautiful medieval city of Regensburg! Lying on the Danube river, this small city is full of historic buildings, architectural monuments and cobbled streets. Yet thanks to the lively student population, there is also a dynamic cultural scene and an abundance of restaurants and pubs where you can try the local bratwurst with sweet mustard!

This is an example of the activities that our Regensburg language school runs during the year. There is a different programme each week. All activities are optional, and most are free of charge. Enjoy a walk around the city with your fellow students, a day trip to Munich on the weekend or learn some Bavarian customs! Our school will be happy to advise you on what to do and where to go with your new German speaking friends!
