

## Activities on offer at our [English school in Toronto](#)

Learn English in one of the world's most multicultural and cosmopolitan cities in the world. Toronto is Canada's largest city and has a diverse, laid-back, English speaking population. The city is also home to the CN Tower, one of the tallest free-standing structures in the world, which forms part of Toronto's incredibly impressive skyline. You can see this in all its glory on a trip to the peaceful centre island.

Our school in Toronto arranges a different programme of several activities each week. Due to the very different seasons in Canada you will be bound to experience a difference between the summer and winter activities.
