## Activities on offer on your English course in Cambridge

This is just an example of the many activities that our Cambridge language school runs throughout the year.

Cambridge is home to the world-renowned Cambridge University, but also to numerous museums and art galleries. Live like a local and cycle around the city, admiring the marvellous architecture, exploring the different colleges and the historic market place. On a sunny afternoon, go punting down the River Cam and then take a break by treating yourself to a bite to eat in one of the numerous cosy cafés or traditional pubs.
