## Activities on offer on an Arabic language programme in Dubai

The activities on offer in Dubai are not run by a typical language school as all your lessons are held in the teacher's home. Students can choose a combination of lessons and general activities, with the activities decided between you and your teacher after you arrive in the tourism capital of the United Arab Emirates.

Dubai is one of the most important and popular cities in the Arabic speaking world. Since the 1970s Dubai's oil and trade funded growth has been nothing short of spectacular. Shifting to tourism, Dubai is now one of the world's most captivating, sun-soaked, city destinations. It is also home to the tallest building in the world!
