

Activities on offer at our [Russian school in Riga](#)

Riga is the vibrant and cosmopolitan capital of Latvia and the biggest city in the Baltics. Designated as an UNESCO World Heritage site for its Art Nouveau architecture, it's a beautiful setting in which to learn Russian.

Besides learning a new language, students need some time to relax and have fun! Participate in a walking tour around this fascinating city, visit the central market or one of the numerous museums. Fancy an escape from the city? Then join our school staff for a day trip to Sigulda or the Kemeru National Park!

This is just an example of the many activities that our Riga language school runs throughout the year.

All activities are optional, and some may incur an additional fee. Make friends and get to know your fellow students while participating in our weekly programme in Riga!
