

Activities on offer at our [English school in Dublin](#)

Whilst a trip to Dublin is not complete without going to the Guinness Storehouse, there's so much more to the city than just drinking the local brew! Dublin has an energetic music scene, strong literary heritage and is within easy reach of the emerald green countryside. Often named as Europe's friendliest city, you'll be practising the lingo with the locals in no time!

This is just an example of the many activities that our Dublin language school runs throughout the year. Take part in bowling, a city tour or listen to Irish music at Temple Bar, an area with a vibrant nightlife. You'll become great friends with your fellow students while participating in our weekly programme.

The cultural and activity programme in Dublin ensures students enjoy their stay and helps them learn about the city and surrounding area, Ireland and Irish culture.

These activities are intended to be fun and to help students socialise, but also to complement the language that students learn during their English lessons at our Dublin school.
