# SAMPLE ACTIVITIES

## Activities on offer at our [English school in Los Angeles](#)

Here is an example of the many activities that our Los Angeles language school runs throughout the year.

Immerse yourself in the English language in one of the most exciting cities in the USA! Visit the Entertainment Capital of the world and enjoy the unique vibe of the city. Our school's programme makes sure that you see the most important sights, like the Santa Monica Pier, Venice Beach, Rodeo Drive or the Universal Studios. Explore the different districts of the city – there is something for everyone from trendy to laid back. You can even go on a trip to San Francisco, Disneyland or Las Vegas!

On your first day you'll receive the school's monthly activity calendar. Most activities are arranged free of charge, but some will incur an additional fee.

Our school can also help with information on what to do and where to go with your new friends in the fantastic city of Los Angeles!

All activities are intended to be fun, to help students socialise, but also to complement the language that students learn during their English lessons at our Los Angeles school.

*Please contact us if you have any questions regarding our school, the city of Los Angeles, or the activities that our school offers!*
