SAMPLE ACTIVITIES

Activities on offer at our [Japanese school in Tokyo](#)

Learn Japanese in a city where rich traditional heritage merges with a bizarre and hi-tech wonderland! Live life at full speed on the bullet train as it zips past neon skyscrapers and embrace the national pastime - singing karaoke into the early hours of the morning. For a more unusual experience, marvel at the quirky and outrageous street fashion in Harajuku or visit a cat café! Once you've worn yourself out, try some tai chi in one of Tokyo's many peaceful and leafy parks and treat yourself to some delicious sushi.

Our school has a different activity programme each week. Make your own traditional Japanese paper, visit the ancient temples, stroll around the Rikugien park or participate in an Edomaji calligraphy lesson.
