

## Activities on offer at our [English school in Oxford](#)

Nicknamed the ‘city of dreaming spires’, this historic British city is famous for its prestigious university, charming architecture and vibrant cultural scene. This makes Oxford an amazing place to learn the English language! After lessons, visit the stunning botanic gardens or one of the many museums, before finishing your day off with a bite to eat in one of the traditional pubs.

Our school has an extensive activity programme which varies from week to week and includes activities such as a football, scavenger hunts, bowling and many more! All activities are optional, and most activities are free of charge. A few activities that are run by the school will incur a small additional fee.
