Activities on offer at our [Chinese school in Beijing](#)

You don't travel to China just to learn Chinese. This unique country provides a whole new way of life and our school is on hand to help you get the most from it. From the first welcome breakfast in Beijing you will start to enjoy the unbelievably good value, tasty local cuisine. Spend a little more to experience the unforgettable delicacy: Beijing Roast Duck! Delve in to China's incredible history on visits to temples, buildings that are in stark contrast to the futuristic sky scrapers of the commercial district. Get lost amongst the many different parts of this vibrant city: explore the authentic hutongs, the ancient forbidden city or the vast Tiananmen square.

Our school will really help you find where to go, on your own or in small groups, with your new friends in Beijing!

The activities are intended to be fun, to help students socialise, but also to complement the language that students learn during their Chinese lessons at our Beijing school.

Please contact us if you have any questions regarding our school, the city of Beijing in general or the activities that our school offers!

Please note: This is just an example of what is on offer. All activities run by our schools are seasonal and depend availability and student numbers.
